

**PARTY INFO:**

Our parties are **£22 per head**.

This includes your studio fee, the chosen craft, all your food and drink - sandwiches, grapes, crisps, popcorn, mini cupcakes and drinks, party bags, invitations, we put up lots of decorations and run the whole party for you.

You can choose any of our party slots, which are: **10am-12pm, 1pm-3pm, 4pm-6pm.**

The parties are 1.5 hours for up to the age of 8 and 2 hours for 9 and over. You can choose your 1.5 hours, for example 1-2.30/1.30-3

Our party area fits up to 20 children with a small amount of standing adults (Minimum spend of 6 kids). The front of the shop holds up to 30 children with a lot more room for parents (Minimum spend of 21 kids).

We tend to act on a drop off basis, with only a few parents staying. If you are expecting a larger amount of children with/or parents coming we always suggest booking the front of the shop. Weather permitting, the garden is free for parents to be outside.

Our most popular party is the pottery painting party. In this party, the children get to choose one piece of pottery to paint, from a selection of animal figures, tea mugs, small tiles and egg cups. Everything they paint on the day will be ready to collect a week later.

We also offer:

- **T-shirt/Tote bag design** parties, where the children get to use fabric paints and pens to draw out a design onto a t-shirt, which they can then take home on the same day.

- **Decopatch** parties, where the children get to stick colourful papers onto a large letter (usually the first letter of their name), which they can take home on the same day.

-**Foam Clay** parties, where children use a colourful beaded clay to decorate a ceramic figurine, by moulding it around it. This can also be used to build on top of the item, to create a new unique piece.

**Food-** You can also choose three sandwich fillings from the following choices; and just let us know if there are any **allergies!**

Cheese	Ham	Jam	Tuna & sweetcorn	Chocolate spread
Marmite		Cucumber	Sprinkles	Chicken

We ask for a **50% deposit at least 4 weeks before**. This is based on the amount you think will be coming and will come off your bill on the day.

We can arrange for a signature plate or photoframe- this is where we do a fingerprint and name of everyone that came to the party along with "Happy 6th Birthday \*Name\*" This is a really cute little memory of the party. The cost of the plate is £15 and the frame £22.

The party bags include a little scratch art kit, a lollypop and a free studio fee voucher for the shop. You can top these up if you wish to. Just bring along extra items on the day and we can add them.
